

08th December, 2016

| Time | Activity | | | | |
|--------------------|----------------------------------------------------------------|---------------------------------------------------------------------------------------------------|---------------------|---------------|----------------------|
| 09:30AM-10:00AM | Registration | Auditorium | | | |
| 10:00AM-11:30AM | Inauguration /Awards distribution / S.N.Gupta Memorial Lecture | Some Critical Research Areas in Water Resources Management Prof. Nayan Sharma (IIT Roorkee) | | | |
| | | Auditorium | | | |
| 11:30AM-12:00 Noon | High Tea | Auditorium | | | |
| 12:15PM- 01:30PM | Technical Session – IA to ID | Water Resources | Coastal Engineering | Environmental | Fluvial Hydraulics |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 01:30PM-02:30PM | Lunch | INCHOE Hall | | | |
| 02:30PM- 03:30PM | Technical Session – IIA to IID | Water Resources | Coastal Engineering | Environmental | Fluvial Hydraulics |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 03:30PM-03:45PM | Tea | | | | |
| 03:45PM- 05:00PM | Technical Session – IIIA to IIID | Water Resources | Coastal Engineering | Environmental | Fluvial Hydraulics |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 05:30PM-06:45PM | ISH General Body Meeting | Auditorium | | | |
| 07:00PM-09:00PM | Dinner | CWPRS Guest House | | | |

09th December, 2016

| Time | Activity | | | | |
|-------------------|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|----------------------------------|-----------------------|
| 09:30AM-10:45AM | Key Note Lectures/Sponsors Demo | 1) Climate Change : Coastal Protection Needs Dr. M. Baba, Former Director, CESS, Trivendram 2) Demo by Meccafferri – Flood Protection Measures 3) Standardization in Hydrometry – National and International Dr. Juneja, Scientist F, BIS | | | |
| | | Auditorium | | | |
| 10:45AM-11:00AM | Tea | Auditorium | | | |
| 11:00 PM-12:15PM | Technical Session – IVA to IVD | Water Resources & Hydrology | Reservoir & Appurtenant structures | Environmental and Climate Change | Fluvial Hydraulics |
| | | Auditorium | Cavitation Hall | CDC Hall | DOHI Lecture Hall |
| 12:15PM-01:30PM | Technical Session – VA to VD | Fluvial Hydraulics | Reservoir & Appurtenant structures | Hydro Meteorology | Hydro Instrumentation |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 01:30PM-02:30PM | Lunch | INCHOE Hall | | | |
| 02:30PM - 03:30PM | Technical Session – VIA to VID | Water Resources & Hydrology | Coastal Engineering | Hydro Meteorology | Ground Water |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 03:30PM-03:45PM | Tea | | | | |
| 03:45PM - 05:00PM | Technical Session – VIIA to VIID | Water Resources & Hydrology | Coastal Engineering | Water Resources & Hydrology | Ground Water |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |

10th December, 2016

| Time | Activity | | | | |
|-------------------|-----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|------------------------------------------|------------------------------------------|
| 09:30AM-10:45AM | Key Note Lectures/Sponsors Demo | 1) Problems of Navigation in the Hoogly River/Estuary and Engineering Marvels recommended by various Consultants to KOPT for implementation- A review by Emeritus Prof. Somenath Ghosh (Retd. Prof. IIT Khargpur) 2) Demo by FCG ANZDEC 3) Water Management at Andaman and Nikobar Shri. Krishna Murty, Deputy Chief Engineer – Andaman Nicobar Harbour Works | | | |
| | | Auditorium | | | |
| 10:45AM- 11:00AM | Tea | Auditorium | | | |
| 11:00 PM- 12:15PM | Technical Session – VIIIA to VIID | Water Resources & Hydrology | Hydro Meteorology | Computer Applications in Fluid Mechanics | Hydro Meteorology |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 12:15PM- 01:30PM | Technical Session – IXA to IXD | Water Resources & Hydrology | Hydro Meteorology | Hydro Meteorology | Computer Applications in Fluid Mechanics |
| | | Auditorium(A) | Cavitation Hall(B) | CDC Hall(C) | DOHI Lecture Hall(D) |
| 01:30PM- 02:30PM | Lunch | INCHOE Hall | | | |
| 02:30PM - 03:30PM | Technical Session – XA to XB | Water Resources & Hydrology | Coastal Engineering | | |
| | | Auditorium(A) | Cavitation Hall(B) | | |
| 03:30PM- 03:45PM | High Tea | Auditorium | | | |
| 03:45PM - 04:30PM | Valedictory Function | Auditorium | | | |
